

San Antonio, TX | May 20 - 22, 2026
Westin Riverwalk San Antonio

WHAT IS TCC?

The Texas Connection Consortium (TCC) is an organization and community of higher education institutions joined together through the consolidation of resources to deliver Texas-specific software through modification, enhancements, and state reporting solutions. The consortium includes over 40-member institutions collaborating and sharing the resources of a single technology services center that creates and maintains technology solutions using Ellucian software. The member institutions include state universities, colleges, and community college districts in Texas.

The Annual TCC Conference will take place May 20 – 22, 2026, in San Antonio, Texas.

Our attendees are **always** looking for partners with solutions to improve business processes and student experiences on their campuses.

WHY SPONSOR TCC?
